RE: MUR 4962  
WMUR-TV

Dear Ms. Rice:

On January 27, 2000, the Federal Election Commission notified your client, WMUR-TV, of a complaint alleging violations of the Federal Election Campaign Act of 1971, as amended.

On November 28, 2000, the Commission found, on the basis of the information in the complaint and information provided on behalf of your client, that there is no reason to believe that WMUR-TV violated 2 U.S.C. § 441b. Accordingly, the Commission closed its file in this matter. A copy of the First General Counsel's Report is enclosed for your information. Statements of Reasons will be filed by two Commissioners at a later date.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.
